

Networking to build business relationships

GMOA provides members the opportunity for networking with other operators and coach specific providers at annual operator meetings, and at the Annual Meeting and Market Place operators have the opportunity to network with fellow operator members and associate members representing attractions, hotels, theaters, destinations, restaurants, coach specific vendors, as well as tour operators and tour receptives.

Creating unity for common goals

GMOA's Board of Directors and staff believe there is strength in numbers. A task one member may find difficult to address alone, all members working together through the Association may accomplish. Whether the issue is local, state or federal in nature, there is strength in one voice speaking for many.

Promoting cooperation among operators and associates

GMOA promotes the idea of members working with members, which is one of the greatest benefits of association membership. The industry is all about relationships and GMOA provides several forums for networking to build relationships, which promotes cooperation among its members.

Creating a forum for sales and marketing

GMOA provides an annual market place for operators and vendors to network and participate in a formal buyer/seller forum.

Promoting public awareness of the motorcoach industry

GMOA works cooperatively with other industry organizations such as American Bus Association, United Motorcoach Association, and the Motorcoach Council to promote motorcoach travel nationwide.

Advocating legislation that positively impacts the motorcoach industry

GMOA's Board of Directors promote legislation to enhance the motorcoach industry in Georgia. GMOA sponsors an annual legislative breakfast at the Capitol to promote its state legislative issues. GMOA also invites key personnel from American Bus Association and United Motorcoach Association to annual meetings and operator meetings to keep members abreast of national legislation that affects the motorcoach industry. GMOA routinely communicates information throughout the year to its members to keep them informed of legislative action needed, such as writing letters to state legislators or Congressmen to support or oppose legislation that impacts the motorcoach industry.
