

GMOA Publications

Annual Membership Directory

The ad should be received as a .JPEG or .TIFF file with a resolution of 300 or higher, or a PDF file with embedded font files. Ads should be emailed to [GMOA Publications](#). Microsoft Word documents or Microsoft Publisher files will not be accepted. No bleed is necessary.

The **GMOA Membership Directory** is updated annually to provide a list of all Operator and Associate members. Associate members are invited to advertise in the Directory, which makes it possible to publish a full color, professional directory to all members as well as to place Associates' services at the fingertips of all Operators. The Directory also contains the Association Bylaws and a form to report any changes in listings. The current circulation is 350.

Advertising Contract/Space Reservation/Payment Deadline: March 8, 2019

Ad File Submission Deadline: March 15, 2019

The directory will be distributed at the upcoming annual meeting.

Quarterly GMOA Newsletter

The **GMOA Newsletter** is published quarterly to communicate up-to-date information about the Association's day-to-day operations, meetings information, directory changes, news from American Bus Association and other industry supportive agencies, member spotlight articles, upcoming deadlines, and other information.

Every current member receives a copy of the GMOA newsletter.

Associate members are invited to advertise in the newsletter which offsets the cost of publication, shows support of the Association, and gets the attention of Operator members.

Please contact GMOA if you are interested in advertising in the newsletter. You must be a current member to advertise in any GMOA publications.
